West Virginia Hemp Farmers Cooperative Inc.

~A Veteran Owned Public Benefit Corporation~

Membership: Joining our cooperative will give you access to the workhorse of the hemp industry in the Mountain State. We are currently engaged in research and marketing cultivation per §7606 of the 2014 Farm Bill. Our cooperative will provide you with the tools you need to succeed while exploring new opportunities in agriculture. We compliment your hemp project by providing the following:

- Guidance for regulatory compliance
- Assistance for project proposals
- Access to quality seed stock
- Connection to future markets
- Education on industry best practices

*Memberships are negotiable per your individual needs:

Business	$200
Institution	$150
Farming	$125
Supporting	$50

We appreciate your support!
